

### Trengrouse Viking Runes

Last Friday, as part of their Viking topic, Y4 have been learning all about Viking runes! These are the symbols used by Vikings to write, a bit like our alphabet. The children made the most of the sunny afternoon to make the symbols using natural objects in our grounds. They have also been debating whether Alfred the Great really was great!

After lots of research and discussion, the children decided that he was indeed 'great' because on balance, he did more good deeds than bad. It's reassuring to know that his name stands up to the scrutiny of Trengrouse Class!

### Bags2School

An enormous thank you to everyone for your very kind donations to our Bags2School collection on Tuesday this week. We were so pleased with how many bags were brought up to school. What's more, you managed to raise £110 for FOPS funds which all go back into providing resources and experiences for your children!! Thank you

### Penair School Headteacher Meeting

Apologies to those parents who had planned to meet the Headteacher of Penair School, Mr James Davidson, on Tuesday afternoon. Sadly the weather was not on our side and just far too wet. The meeting has now rescheduled for Thursday 27th May next week. Mr Davidson will chat through the transition to Y7 and give parents the opportunity to ask any questions they may have. The meeting will take place on the lower play ground amphitheatre at 3.30pm. Parents and children can make their way through the lower playground gates on to the playground at the end of the day. Fingers crossed we'll have some better weather the second time around. Thank you.

### Keep Perranporth Tidy - School Litter Pick

Our first 'School Litter Pick Day' of this year is scheduled for Tuesday 25th May. On this morning we are encouraging children to walk to school and collect litter on their route. There will be a prize for the class who have the most contributions of rubbish that day! We hope that this morning will encourage children to think more about littering problems, about not just walking past and ultimately not dropping litter themselves. There will be two bins so that recyclable litter can be correctly recycled, so please do feel free to separate whatever you find.

We hope as many of you as possible will join in with this exciting event and help keep our streets litter free and inspire our children. We would like to say a huge thank you to Faye Clifton and [Green and Blue](#) for organising these brilliant litter picks and being so supportive of our school and community! Thank you!

### ~ This week's attendance ~
