Truro and Penwith Academy Trust

Perranporth School Disability and Access Plan (June 2021)

#### **Our Mission Statement:**

Inclusion and equality are at the core of our school community here at Perranporth. We believe that every child has the right to achieve their full potential no matter what their ability. Through our Disability Equality Scheme and this Access Plan, everyone in our school's community will be enabled to have their voice heard and be represented on issues that will remove barriers for the good of all, not just those with disabilities. We will be proactive in raising awareness of disability issues and in consulting pupils, parents, staff and governors. This will have a positive impact both for our current and future communities.

#### The Definition of Disability

A person suffers a disability if he or she has a physical or mental impairment that has a substantial and long term adverse effect on his or her ability to carry out normal day-to-day activities.

Physical or mental impairment can include sensory impairments (such as those affecting sight and hearing) and learning difficulties. The definition also covers certain medical conditions when they have long-term and substantial effect on students' everyday lives. These can include asthma, chronic eczema, ADHD, cancer, AIDS, to name a few

#### Introduction

Perranporth School's Access Plan sets out how Perranporth governing body will promote equality of opportunity for disabled people.

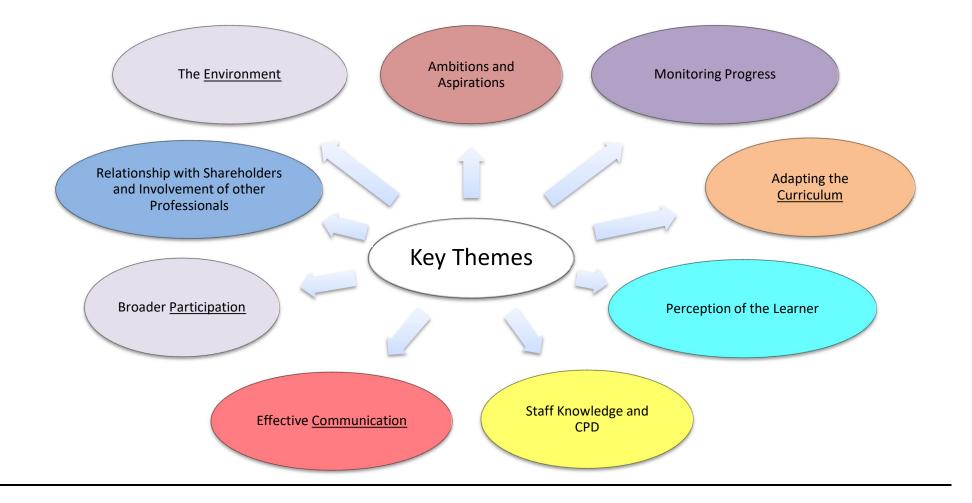

Duties in Part 4 of the DDA require the governing body to plan to increase access to education for disabled pupils in 3 ways:

- increasing the extent to which disabled pupils can participate in the school <u>curriculum</u>;
- improving the <u>environment</u> of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- improving the delivery to disabled pupils of <u>information</u> which is provided in writing for pupils who are not disabled.

An overall vision should therefore reflect the six elements in the general duty:

- Promoting equality of opportunity
- Eliminating discrimination
- Eliminating harassment
- Promoting positive attitudes
- Encouraging participation in public life
- Taking steps to meet disabled people's needs, even if this requires more favourable treatment

This Access Plan summarises aspects of Perranporth School's plans to increase access to education for disabled pupils, parents/carers and staff and does so around 9 broad themes (note the 3 key areas of curriculum, environment and information as underlined below – environment is also covered within the broad themes of broader participation):

Target	Tasks	Timescale	Resources	Responsibility	Monitoring
Ambitions and Aspirations		)	1	· · · · · · · · · · · · · · · · · · ·	
Embed the commitment to Equality through all aspects of school life, ensuring that mechanisms to support this, such as policies, consider the implications of Disability Access. Ensure that such commitment is visible to all in the community and is unequivocal in its ambition.	As new policies are established and existing policies are reviewed e.g. Behaviour Policy, School Rules, Anti-Bullying Policy, Educational Visits, Homework, Health Provision in relation to pupils with disabilities etc. ensure that the procedures and expectations reflect the school ambitions and aspirations regarding our commitment to equality for all.	Summer Term 2021 and continuing thereafter.	Leadership Team and SENCO time to review policies.	SENCO HT Staff Governors Pupils	Governor policy review schedule Forums Pupil feedback
