

Welcome Back!

Welcome back to the new school year. It has been wonderful to have all of the children and staff back together again and much more like the Perranporth School we all know and love! Our new Reception Class recruits have settled in marvellously and have really enjoyed exploring their new school.

In some other news... we would like to announce that Mr Harris is soon to be welcoming a new member to his family. The new arrival should be arriving any day! We will of course keep you updated as and when we hear more. For those Y3 parents in particular; Mrs Green will teach in Y3 when Mr Harris's big day comes and will cover his two week paternity leave.

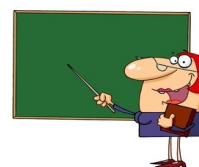

The school has also had some extensive building and site works undertaken over the summer. Parents might've seen the changes to the old swimming pool site which has now been filled in and seeded. We're really looking forward to this being a lovely grassed playing space for the children to enjoy soon. Our school hall has also had some changes. There's a new entrance and staircase which will allow us to make much better use of this space.

As usual, the newsletter, school website and Dojo messages are the best ways to keep informed about what's going on in school. Newsletters go home every Friday via Class Dojo or by downloading from the school website. Reception Class parents, if you have not managed to link up your Class Dojo account, please speak with the class teacher to get that arranged. If you ever have any problems, queries or just fancy a chat, you can usually find me at the school gate in the morning or feel free to call school and we can arrange a meeting - we're only too happy to help.

Mr Johnson

Meet the Teacher

Ordinarily at this time of year we would be inviting parents into school for 'Meet the Teacher' sessions. Unfortunately due to the high rates of COVID that the area is currently experiencing, we don't feel it would be safe or sensible to host meetings in person with lots of adults coming into classrooms. Instead, teachers will be producing a short video in which they will talk parents through the class routines, general expectations for the year group and the learning year ahead. Then, if any parents have any particular concerns, teachers will be happy to receive a Dojo message to answer any questions or for a call back request to chat these through personally. Videos will be released on the afternoon of Tuesday 14th September via Class Dojo.

After School Clubs

Letters with information about the new after school clubs have gone home today. Clubs will be starting from the Monday, 20th Sept. If your child wishes to attend any of the clubs available, please return your completed form, to the class teacher as soon as possible as some clubs may have limited capacity. This term we will be offering the following:

Mondays	Football - KS1	Dance - KS2
Tuesdays	Film Club - All Years	Forest School - KS2
Thursdays	Mrs Williamson's 'Calm Club' - KS1 (a mix of calm activities - yoga, crafts, jigsaws, board games, play dough etc)	Basketball - KS2

Breakfast Club

Don't forget that Breakfast Club runs every morning before school. It is charged at £2.00 per child. We are no longer offering food as parental feedback has been that the reduced price is preferable as most children eat before arriving. Children can bring their own food if they wish. Places are available and should be booked in advance with all booking forms printable from the school website or available from the School Office; bookings can also be made by phone (01872 572021). Children can arrive from 8am. Thank you.

Coats in School

The wet weather seems to have started a little early this term. So, it is really helpful if all children come to school with a named coat in case of inclement weather. If it's just a little bit wet, we do try to get the children outside for some fresh air, but obviously they need coats for these occasions. Many thanks.

Pupil Premium - School Uniform Vouchers

We would like to make parents aware of a uniform voucher service that is available to all parents of children who are in receipt of free school meals or eligible for Pupil Premium funding. We are now using a portion of our Pupil Premium funding to offer parents a £30 uniform voucher per pupil. These vouchers can be used to purchase any two items of school uniform (or equivalent) at Keywear in Truro. If you are in receipt of income support, income based job seeker's allowance, income related employment support and allowance, child tax credits (with an annual income of no more than £16,190) then your child may be eligible for Pupil Premium Funding. If you think your child may be eligible for Pupil Premium funding / free school meals, please call the school office to fill out a short form or look on our school website. Pupil Premium funding is available to children in all year groups and is in addition to the Universal Infant Free School meals which is available to all KS1 pupils. Every child who is registered as eligible for pupil premium generates valuable income for the school and this eligibility will also help you access financial assistance with various school costs such as trips, clubs and music tuition.

Drum Kit Available

We have a child sized school drum kit that over the years we have loaned out to children wishing to try out this great instrument. The kit has now become available again and is up for grabs if anyone would like to borrow it for their child. There is no formal arrangement in place or time limit - you can simply use it for as long as your child wishes. If you would like to loan the drum kit, please get in touch with Mr Johnson via Dojo message or telephone the School Office to reserve it: Tel - 01872 572021.

Nut Free School

A reminder that we are a nut free school. Your kind co-operation would be greatly appreciated by ensuring your child does not bring nuts or other nut products into school as part of their snack or packed lunch.

Absence From School

If your child is ill or cannot attend school for whatever reason, parents must telephone the School Office (01872 572021) by 9am to inform us of the details. Messages can be left on the school answerphone service at any time. It is important that parents always let the School Office know if their child cannot attend school. If we do not receive a notification of absence, it is our safeguarding duty contact parents to find out the reasons for this.

If your child requires a planned absence from school for medical appointments, dental appointments etc, please collect an Absence Application Form from the School Office. The school cannot authorise absences for the purpose of holiday or other avoidable absences during term time. Absences not authorised by the school may result in issuing a Penalty Notice or prosecution in the Magistrates Court. Thank you for your understanding.

Unfortunately, due to the high Covid numbers in the area, the traditional open evening will not be available this year. Instead there will be a welcome video on our school website with frequently asked questions. In addition, parents will be able to book a tour of the school by contacting enquiries@penair.cornwall.sch.uk these tours will be conducted in small school groups in 1-hour window per school and in a socially distanced manner. We plan for most of these tours to take place 23rd September as we have an inset day. This will minimise any risk to staff and students.
