Thank You Mace Group!

We were absolutely thrilled to welcome three willing volunteers from Mace Group to Perranporth School on Thursday this week. Mace are one of the companies that supported the summer building works to our school during the holidays. In order to give something back, they provided us with a volunteer day to help with a school grounds project. So, with the guidance of our Groundskeeper Jo Harper, the volunteers have busily repaired and replaced the steps into our 'Mini-Minack' area and made an excellent safety fence too!

We are exceptionally grateful to Mace Group and their volunteers for all their fantastic efforts, and what's more, we know the children will be too! Thank you!

Cornwall Air Ambulance Visit

Last Friday we were so impressed by everyone's efforts to support the Cornwall Air Ambulance by coming to school in red and yellow clothing! We had a very special visit from the Cornwall Air Ambulance team and their mascot Air Crew Andy! It was amazing to see the incredible reception the children gave to Aircrew Andy and how excited they were to see him at our school. We'd like to say a huge thank you for all of your very generous donations to this very important charity. You managed to raise over £200!!! Thank you.

What's coming Up Next Week?

October Half Term - See you back at school on Tuesday 2nd November
(Mon 1st Nov is an INSET Day)

Key Stage 1 Harvest Festival

We would like to say a huge well done to all of the children in Rec, Y1 and Y2 for giving such a wonderful Harvest Festival at St Michael's Church this week. The children had worked very hard practising their words and songs leading up to this week, so it was lovely to see them giving such a great performance! It's a shame that families weren't able to join us, but we have produced a short video of the morning so that you can share in the celebrations too. Please follow this link: <https://youtube.com/watch?v=Y1Tbco8BZpc&feature=share>. Thank you also for all of the very kind food donations. These have all gone to the Community Fridge and will soon be working their way to families in our community. Thank you.
