

## Co-Op Funding - Thank you!

We were super excited to hear the news that the Friends of Perranporth School (FOPS) had been successful in being select for the Co-Op Funding initiative. As you can no doubt see from the enormous cheque, FOPS have been donated an incredible £3779!! This is a fantastic result which we know will make a huge difference to FOPS and the brilliant work they do at our school. We'd like to say a monumental thank you to the Co-Op, to Laura Wells for putting the bid together and to everyone who supported us! THANK YOU!!

## Children in Need

Last Friday the children at Perranporth looked very colourful indeed! This was of course because we were recognising Children in Need and raising funds for this very special charity. It was lovely to see the children embracing the theme for our day and wearing their bright and colourful clothing. What's also fantastic is that your generous donations raised a whopping £351!!! Well done and thank you everyone!

## Forest Classroom Learning

Over the next two weeks every class is going to have a whole day of Forest School fun! These sessions are going to be led by a specialist Forest School teacher in our Forest School area.

Below are the dates each class will be taking part-

Monday 29th November- Year 1

Tuesday 30th November- Year 5,

Wednesday 1st December - Year 2

Thursday 2nd December- Reception Class

Friday 3rd December - Year 6

Monday 6th December- Year 4

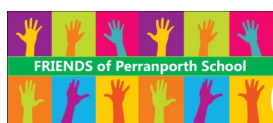

Tuesday 7th December- Year 3

On the day your child is taking part they do not need to wear school uniform. Instead they need to come in warm clothing that you do not mind getting wet and dirty and a pair of wellies. Dress as you would for a day in the woods. These sessions will be taking place whatever the weather, so pack a coat! The day will follow the normal times and the children will still be able to have packed lunch or school dinners as normal.

## 50p Friday Cake Sales

A big thank you to parents and families in Year 3 for this week's cakes. The next class up for our 50p Friday Cake Sale is Year 4 on Fri 3rd Dec. Thank you for your support.

## World Religion Day

On Wednesday this week, our whole school enjoyed learning about lots of different religions, the beliefs, customs, and foods too! Each teacher selected a different religion to share a lesson and experience to the different children. Throughout the day, children worked their way around the school finding out something new in every room. It was a truly fantastic day that was full of rich diverse religious learning.

## PACE - Christmas Tree Appeal

Perranzabuloe Action for Climate Emergency (PACE), are asking for your support to help contribute decorations for their Christmas tree to be displayed at the festival at St Piran's Church, Penhallow. The group intend to build and decorate their tree with discarded and brightly-coloured single-use plastic items which will be cut up and glued to the wooden structure. What they really need are a lot of unwanted or broken plastic beach goods ( buckets, spades, body-boards, bottles etc. ) and as wide a variety of these as possible to illustrate the problem of how to manage and recycle plastic waste on the beach.

If you would like to make a contribution, children are invited to join the PACE team at the Parish Offices in Ponsmere Valley (behind the football pitch and car park), on Tuesday afternoon next week, between 3.30 and 4.30pm.
