

Forest Classroom Days

Every day this week a different class has been enjoying the great outdoors by doing an entire day of forest school learning. Working alongside expert Chris from DT Coaching, the staff and children have had an absolutely marvellous time learning lots of new and exciting outdoor bushcraft skills. Despite the cold and rain, the children have loved learning how to make shelters, filter water, fire lighting, cooking bread on an open fire and many more skills too. We've got two more sessions next week to look forward to for Y3 and Y4 as well! We're so lucky to have such a fantastic forest classroom to be able explore the different types of learning that nature can provide!

Brass Carols

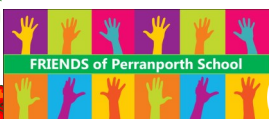

Our wonderful brass musicians brought some festive cheer to the school this week with their fantastic renditions of some well know carols. We were all incredibly impressed by their talent and skills and very much enjoyed singing along too. If you'd like to have a listen. Just follow this link:
