

Related Baby News!

In all the excitement of starting the new term, I'm afraid we forgot to share some exciting news we heard over the Christmas break. On the 23rd December Mrs Laity had a beautiful baby boy! Louis Jay Laity arrived 10 days later than expected (the best things come to those who wait as they say!), weighing 8lb 12oz. All are doing brilliantly and very much enjoying their time together. We send the Laity family our congratulations and very best wishes!

Space Explorers

As part of their new topic learning, last Friday the children in Reception and Year 5 both had an amazing space experience! To help get the children's minds fired up for their new learning, a special Explorer Dome was set up in the Hall. Once inside, the children got the most amazing experience and learnt all about the planets, solar system the constellations and the universe beyond! Everyone thoroughly enjoyed the day and came away inspired for the new term's learning ahead!
