

Safer Internet Day - Tue 8th Feb 2022

On Tuesday 8th February we will be joining schools and youth organisations across the UK in celebrating Safer Internet Day 2022. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in Perranporth School, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, you may be interested in downloading the free Safer Internet Day Education Pack for Parents and Carers which is available at: [Advice for parents and carers - UK Safer Internet Centre](#)

Orienteering Course

This week our staff meeting was lots of fun and very active! On Wednesday, the school had a very exciting cross curricular orienteering course installed in our grounds. The course has lots of different marker cards positioned in different locations all over the school site. All of the teaching staff received training in how to both teach the orienteering skills and how to link it with lots of different curriculum subjects. Teachers then had the opportunity to try out the course working in different groups. As you can imagine, this got very competitive, but it was also huge fun and certainly raised the heart rate!

Teachers will start planning their orienteering sessions into their timetables soon. These lessons will work alongside other curriculum subjects like PE, geography, maths and phonics and many more!

Parent Support Sessions

This is a support group for Parents/Carers - all are welcome. If you would like to be able to talk in confidence and meet other parents with similar challenges, then come along. We are here to help and support you!

Do you find your child's behaviour challenging?
Would some friendly support and advice be helpful?
Would you like information about a Parenting Course?
This is a support group for Parents/Carers - all are welcome.
