Rocket Man!

Last Friday, children in Year 4 and Year 5 had a visit from a real Rocket Man!! George Slater (not Elton John!) spent 22 years in the RAF and is now using his expertise to help children get excited about STEM (Science Engineering and Maths). He spent the day with our children teaching them all about rockets, flight and how to test and improve them. The children even managed to witness the marvels of STEM by watching a robot solve a Rubik's Cube! Check out Class Dojo for the video. It really was an incredible experience for the children and such a wonderful learning opportunity. We'd like to say an enormous thank to George and the team who support him. Thank you!

Open Air Theatre Performance - Thank You

A massive thank you to FOPS for organising the fantastic 'The Piskie in the Garden' theatre performance last weekend. The event was very well attended and the reviews were excellent! What's more, the ticket sales and refreshments have all gone towards FOPS funds which in turn support your children in school! Thank you FOPS and thank you to all those who came along on the day.

NSPCC Speak out. Stay Safe

Starting next week and ongoing through the term, we will be taking part in the NSPCC's 'Speak out. Stay safe' programme. We'll be sharing important safeguarding messages with children and teaching them how to keep themselves safe. A consistent message we share is the NSPCC's 'Talk PANTS and Stay Safe' approach. This is a very child friendly way of supporting and empowering children to keep their bodies safe.

A Class Dojo post was shared on Thursday with a letter attached which details the work that will be done and some helpful links to resources parents might wish to share at home. If you have any queries or questions, please don't hesitate to get in touch with your child's teacher.

Online Safety for Children and Parents

Keeping safe online doesn't need to be overwhelming!

Parents and children are invited to join online safety experts, Natterhub, for helpful tips and advice for supporting your child in the digital era. Discover how to keep your family safe online, embed healthy digital habits and how to #HaveTheConversation.

Location: Virtual, YouTube

When: 6th October, 7pm

How to attend: <u>CLICK THIS LINK to watch live</u>

Here's what parents can expect to learn on the day:

Online Safety Webinar AGENDA

INTRODUCTION

>About Natterhub and our role in online safety education
