

Anti Bullying Week

This week has been Anti Bullying Week. Teachers have been working with children to help them understand bullying and how to stop it. We've looked at what is a bullying situation and what is a friendship issue as sometimes these get confused. At Perranporth School, we use the STOP acronym to help us identify bullying. **S.T.O.P.** stands for **Several. Times. On. Purpose.** We've discussed with children about how to deal with bullying situations and how to get help and who can support you. We also looked at how to be a kind friend to others and how being different is a positive thing - especially when you're wearing odd socks!!

World Kindness Day

This week has also been World Kindness week, which has worked really well with our Anti Bullying themes. Eri from Year 6 brought World Kindness celebrations to Perranporth School and she went all out with loads of fab ideas for how we can celebrate kindness. Children enjoyed word searches, colour pages, kindness messages and we even made a huge kindness paper chain with message of kindness running throughout. It's been a wonderful week, with such a positive energy throughout the school.

Big thanks to Eri for all of her hard work and thank you to everyone for being such kind friends to one another.

Year 5 & 6 Basketball

A huge well done to the Year 5 and 6 Basketball Team who went off to take part in the Newquay Schools Basketball Festival this week. The team played brilliantly, showed excellent techniques and incredible team work! They represented our school perfectly and had a great afternoon. Well done to all!

Cornwall Christmas Box

This year we are helping to support Cornwall Christmas Box by offering the school as a location for collections of boxes. Mrs Wordley has kindly agreed to collect any donation boxes and transport them to the centre for us.

What is a Christmas Box?

This is a great way to help less fortunate families by ensuring they have what they need to make a special Christmas. Each box contains enough food for Christmas dinner with all the extra little goodies, treats like mince pies and biscuits, and of course Christmas pudding – which all go to make up a feast for a family in need. Due to storage and distribution limitations we can't accept fresh food but there are plenty of good things to eat that can still be included. A typical box costs around £30-£40 but you can share the cost by getting together with friends, neighbours and colleagues to fill a box together. The boxes will be distributed by Cornwall Council's 'Together for Families' team and some Family Hubs to families in need.

If you'd like to support this very worthy cause, all you need to do is:

- Print out the checklist: [Cornwall Christmas Box – Christmas dinner in a box!](#)
- Get shopping! Make sure that everything you buy for the box will still be in date at Christmas.
- Cover a close-able cardboard box in Christmas paper – we need it to have proper close-able portions that fold over so we can transport the boxes more easily!
- Tick off each item on the checklist as you put it into the box. You can add other items too, but we need to be clear – no alcohol, and we'd prefer nothing breakable either.
- Drop it off at school by the 9th December 2022
