

## Bags2School Collection - Thank you!!

We'd like to share an enormous thank you to everyone who donated towards our first Bags2School collection this term. Your very generous donations have managed to raise a very impressive £100 for FOPS funds. All FOPS funds go back into your children and their experiences at Perranporth School - so thank you all!

## Parent's Meetings

Our Autumn Term Parent Meetings are scheduled for Monday 7th Nov and Wednesday 9th Nov next week. Appointments can be booked between 3.30pm and 6.30pm on both evenings. In response to parent feedback, meetings are back to the 'face to face format' and will all take place in the School Hall. Letters explaining the details of the meetings and how to sign up to School Cloud in order to make your appointment went home this week (and can be seen on Class Dojo too).

We feel very passionately that we would like all children's parents to arrange a meeting, so that we can share the wonderful learning your children are doing and answer any questions you may have in support of them too. If you have any issues booking an appointment, please don't hesitate to contact the School Office who will happily give you a helping hand.

## Curriculum Launch Days

The new half term has brought lots of exciting new learning to the children of Perranporth! Through our new **GREEN** Curriculum, each half term has a new curriculum focus. Last half term all classes shared a History focus, this half term it's Geography! To get the children fired up about their geography topics, children experienced launch days this week.

Across the school, everyone got immersed in the learning of their new topic by getting involved in awesome activities and learning experiences. For example, children in Year 4 have been busy studying rivers and the features of rivers, Year 5 have been finding out about our national parks, whilst Year 3 have been learning about geology! The school has been a real hive of activity with a great buzz for learning and investigation! It's been a great start back!

## Visiting Author - Thank You

This week, the children Trevithick and St Piran Classes had a real treat! Claire Bond (Holly's mum), very kindly agreed to come into school to share her first published children's book! Claire has been working very hard to write and develop her book and has finally had it published. We were very pleased to get an exclusive talk and be the first school that she has shared 'My Pet Zebra' with! What's more, the children and staff absolutely loved the book too!

It was a wonderful experience for the children to have such a fantastic story shared with them by the author themselves! We'd like to say an enormous thank you to Claire and wish her the very best of luck as 'My Pet Zebra' has now hit the shelves and is available in bookstores!

If you'd like to know more about 'My Pet Zebra' or purchase a copy of your own, please follow this link:
