

Red Nose Day

We'd like to share a huge thank you to everyone for their very generous support of our Red Nose Day last Friday! It was lovely to see the children dressed in their cozy pjs or bright red clothing. What's more important is that our school managed to raise a whopping £186!!

Cross Country Finalists

On Friday afternoon last week, several children from Y5 and Y6 made the long journey to Poltair School in St Austell for the Mid-Cornwall Cross Country Semi Finals. The weather was miserable and the course was tough. However, the Perranporth runners were in strong form and showed amazing resilience. All of the children gave incredible performances against the top runners in Cornish schools. We were so impressed by their determination and technique. All of the children crossed the line in fantastic positions with some of the children achieving a place in the finals next week. We'd like to share a massive well done to all of our runners for such brilliant racing. Watch this space for news from the upcoming finals!

Perranporth's G.R.E.E.N Curriculum

Growing - Relevant - Environment - Engaging - Nurture

This week children in Y4 have been learning about our local **Environment** by heading off to Droskyn Point to be landscape artists! The children have been inspired by artist Kurt Jackson who often paints Cornwall's beautiful scenery. The class decided that they would try their artistic skills with the incredible views at this local beauty spot. The results were excellent, we're sure Kurt would be very impressed!

We also had a wonderfully **Engaging** assembly this week from a local Cornish language speaker. The children were told all sorts of interesting information about the Cornish language and learned a few phrases too!

'Unn bryntin seythen dhe prn Glas Kors-dyski!' (another great week for our Green Curriculum).

Spoon Amnesty!!

Every now and then, at lunchtimes children need to borrow a spoon from the school kitchen so that they can eat a yoghurt or pudding from their packed lunch. Unfortunately, sometimes these spoons are accidentally taken home instead of being returned to the kitchen. We have recently discovered that we now have a shortage of spoons!

Please can we ask parents to have a look in cutlery drawers at home for any spoons that might belong to the school kitchens. If you do discover any, we would be very grateful if they could be returned to school. Many thanks

After School Clubs

Please can we request that if your child does not wish to attend their after school club, that parents notify the School Office - either by telephone or Class Dojo message.

If children are registered for a club, we have a duty of care to know their whereabouts during the times the club is happening. If parents can communicate with the Office, we can avoid several unnecessary phone calls each day. Many thanks.
