

## Cross Country

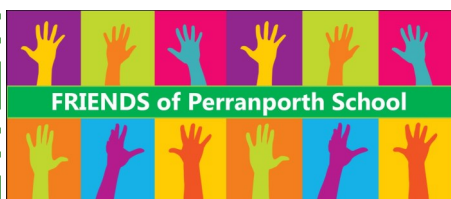

This week Perranporth School participated in two different cross country events! On Tuesday children from Y4, 5 and 6 took part in the last race of the season in the Newquay Schools League. For the children in Y4 this was their first race and a great introduction for next year's season. All of the children from all year groups gave brilliant performances and crossed the line with lots of top places.

Thursday afternoon saw the Cornwall Cross Country Finals taking place. Perranporth had an incredible three children competing in this high level event. Once again, Ruby, Oliver and Alfie all showed amazing talent and determination against the best runners in the County. They each achieved brilliant places and really represented Perranporth with excellence against a very competitive field! A huge well done to all of our runners!

## Reading Rewards

As all of our children and families know, reading is extremely important to us at Perranporth. Throughout the term, we have been monitoring the number of minutes that each KS2 class has been engaged in reading and keeping a tally on display. The children knew that the most engaged class was going to receive a special reward at the end of the term, so the effort was worth it. The battle for the top has been chopping and changing week by week, but it was Year 4 who showed the most number of reading minutes and were crowned worthy winners. The class received their reward on Tuesday this week, and what a lot of fun they had!!! Well done Year 4!

## FOPS Friday Cake Sales

A big thank you to parents and families for their contributions to the Chocolate Tombola!!

## Choir in the Community

After their amazing performances at Christmas, Perranporth's choir was invited to come back and share their beautiful singing with Perran Bay and Lavender Court again. Mrs Green, Mr Crocker and their merry group of singers made the walk down the hill and were greeted by a very welcoming audience. The children really enjoy having an opportunity to perform and it's lovely for the school to be able to share our talents with the community. They all sang brilliantly and received fantastic feedback on their performances. We'd like to share a huge well done to the children and a thank you to the care homes residents for being such great audiences! Thank you.

## Thank you and Goodbye

Unfortunately this week we had a sad goodbye to make. Tuesday was Mrs Burridge's last day at Perranporth School as she moves on to spend more time with her family and her voluntary roles too. We're extremely grateful to Mrs Burridge for all of her fantastic work at Perranporth School and wish her the very best of luck for the future.

## What's Coming Up Next Week?

Easter Holidays - See you on Monday 17th April!

## Perranporth's G.R.E.E.N Curriculum

### Growing - Relevant - Environment - Engaging - Nurture

Throughout this term, as part of our GREEN Curriculum, each class has been working very hard to develop their musical skills. The children have been **Growing** in confidence and teachers have been **Nurturing** their talents to perform and sing. Children have learned about all sorts of different musical components, such as pitch, dynamics, harmonies and much more. On Wednesday afternoon we held our final show in assembly.

Taking it in turns, each class came up to the front, calmed their nerves, took a deep breath and sang the piece that they had been developing. They concentrated hard to show the skills they had learned, and what incredible performances they all gave! We were all so very proud of the children and their amazing singing skills. They were simply brilliant and have learned so much!
