

Coronation Celebration!

Just a reminder that next Friday, 5th May we will be celebrating the upcoming King's Coronation with lots of different royal based activities, songs, special foods and much more. On Friday the 5th May, we would like to ask all children to come to school wearing their smartest clothes, fitting of the Coronation occasion! This might be that children would like to wear a smart suit or jacket, shirt and tie. It might be that children wish to wear a beautiful dress or ball gown. Some might wish to wear their 'Sunday best'! This is a very special time and something we'd like to recognise as such.

That being said, we would like parents to appreciate that this will be a school day when children will be playing and enjoying the celebrations, so clothing must not be too precious in case of accidents or damage etc. Whatever children choose to wear, we would really like them to be super smart and dress up especially for the big day! Thank you.

Bags2School Collection - Fri 28th April

A huge thank you to everyone for their donations to our Bags 2 School collection. Your support is very much appreciated as this is a great way to not only make use of unwanted clothing items, but also a fantastic fundraiser for FOPS. We're very pleased to say that your kind donations have raised £80.00 for FOPS funds which all work their way back to supporting your children at school. Thank you!!

Accommodation Help Needed

A much loved and long standing member of our Perranporth School team and community is in need of some help and we thought our families might be able to assist. Mr Savage has been given notice that he will sadly have to move out of his flat due to the building being redeveloped. He has been looking for a new place to live in the Perranporth area for some time but without any luck.

We thought one of our wonderful families might know of someone with a flat or premises that is available? If you know of any suitable flats or small properties please do contact the School Office 01872 572021. Thank you.

FOPS Friday Cake Sales

A big thank you to parents and families From Year 4 for their contributions to this week's cake sale!! Next week it will be Year 5's turn to bake. Thank you.

Online Safety - Social Media Influences

We'd like to share with parents, a recently published video by Financial Times films. The video gives an important insight to the impact of social media on our children and on family life. This is certainly a sobering video and well worth a watch as it reveals some shocking information that parents really should have awareness of. It may help parents consider how they talk to their children about their social media use and also how it is monitored at home. You can find the video on YouTube by following the link below:

Thank you, Goodbye and Welcome

As mentioned in last week's newsletter, unfortunately, today is Mrs Morris's last day at Perranporth School. After 7 years of wonderful support at our school she has decided to dedicate her time to running her new shop in town. This has been a long-held dream for Mrs Morris and something she wants to give her full commitment to going forwards. We're all terribly sad and will miss her a great deal but wish her the very best of luck in her new venture and know that she'll make a huge success of it. Thank you, Mrs Morris, for all of your fabulous support and good luck!!

On Tuesday we will be welcoming Vickie Burgess to our Perranporth team to support in Y2. Vickie comes to us with a wealth of teaching and learning experience, so we're sure she'll fit right in and get to know the children in no time at all.

St Austell Children's Literature Festival

We'd like to share some information regarding St. Austell Children's Literature Festival on 17th June 2023. Attendees will have the opportunity to meet and listen to some fabulous local children's authors and hear them share some of their books! Tickets for each workshop are £1 which the children can then redeem against a book from the bookseller present on the day.

For more details and tickets, please follow the links below:

Perranporth's G.R.E.E.N Curriculum

Growing - Relevant - Environment - Engaging - Nurture

This week, children in Trengrouse Class (Y4) have been **Growing** their knowledge by learning about structures and the shapes within them. As part of their Design Technology lessons, the children have been trying their hands at being engineers. They have been creating strong structures and joins that they will be able to transfer to the creation of further projects. As you can see from the pictures, this was certainly a very **Engaging** task and something the children will develop several skills from. Well done Year 4!

Sunflower Seed Competition

We were recently very pleased to receive a number of seed donations from Growing Together Cornwall and the Co-op. We have been given enough seeds for each child to be able to grow their own sunflower and some additional seeds for families to plant in their gardens. We thought this would be a fab opportunity to have a fun Sunflower Growing Competition! The competition is just for fun, but we thought children and families might enjoy the opportunity to plant their seeds and then share a picture of their sunflower as it grows. As the plants will take a little while to grow, the final measuring can be done over the Summer Holidays and pictures sent into new teachers for September.

Each family will receive an envelope with a small seed packet for your garden, stickers and a sunflower seed for planting by your child or children for the competition (we'll ensure that all children get at least one seed each). Then all we need to do is plant the seed and let nature do the rest! For more information on Growing Together Cornwall and The Cornwall Sunflower Festival, please click here: [Community | Growing Together Cornwall CIC](#)

We'd like to share a huge thank you to Tom Knight from [Growing Together Cornwall](#) and the Co-op for these wonderful donations! Thank you!
