

Perranporth's G.R.E.E.N Curriculum

Growing - Relevant - Environment - Engaging - Nurture

Sports Days

A huge part of our GREEN Curriculum is the enjoyment, development and celebration of sport and PE. For those parents who were able to make it, we hope you managed to get a sense of how important sport is to us at Perranporth from our KS1 and KS2 Sports Days this week.

The incredible success of the two days was simply fantastic. The KS1 sports day was an absolute delight, filled with laughter, joy, and energetic performances. Our youngest stars showcased their budding athleticism through various fun-filled activities, including sack races, obstacle courses, and the ever-entertaining egg-and-spoon race. The spirit of teamwork and camaraderie was truly remarkable as the children cheered each other on and showed a huge sense of sportsmanship and unity.

Not to be outdone, the KS2 sports day was a thrilling display of talent and competitive spirit. The older children absolutely brought their A-game to the field, participating in a wide array of sporting events that included sprint races, long distance, and the everyone's favourite, the tug of war! The atmosphere was electric, with cheers reverberating as our accomplished young athletes showcased their skills and determination. It was a testament to their hard work and dedication, and we couldn't be more proud of their accomplishments.

Both sports days were tremendous successes, thanks to the great support of our families, our staff, and the enthusiastic participation of our children. These events not only encouraged an enjoyment of physical activity but also promoted important values of teamwork, resilience, and togetherness. Thank you all for such wonderful afternoons!

Summer Writing Competition

Children were told all about our very exciting writing competition in assembly this week.

In this unique writing contest, children must submit a story idea or the blurb of their story in 100 words or less. The only judging criteria, in true Wonka style, is pure imagination!

There are templates available from their class teachers or the office if needed. Alternatively, children can send in their ideas on paper, typed, emailed, PowerPoint or even a video!

Entries need to be sent to class teachers by Friday 14th July.
I am very excited to read their amazing ideas!

Miss Pryor

WONKA
GOLDEN TICKET

An Imaginormous Challenge

Details: In this unique writing contest, you must submit a story idea or the blurb of your story in 100 words or less. The only judging criteria, in true Wonka style, is pure imagination!

Templates are available if needed.

- ◆ Thursday 6th July - Reception Class Sports Day 9.30am & Phonics Meeting for parents 2.30pm
- ◆ Friday 7th July - Wear it Green Day -£1 donation for Macmillan

Teacher Strikes

Parents may have heard about the planned teacher strike days on 5th and 7th July. Perranporth School will remain open on both of these days and pupils should attend as normal

FOPS Friday Cake Sales

A big thank you to parents and families from Year 5 Class for their contributions to this week's cake sale!! Next week it will be Year 6's turn to bake.

Wear it Green Day - Friday 7th July

Next Friday we will be raising money for The Cove Macmillan Support Centre by asking children to come to school with a £1 donation (or more if you wish) and wearing green clothing. This is a trust wide support day for Macmillan in which over 30 schools will be participating. The aim is to raise funds for the purchase of specialist resource boxes for schools who have pupils affected by cancer. These boxes will be a vital support to those children who may have a family member suffering from cancer or possibly are directly af-

ected themselves.

Although we know that Perranporth School wear green almost every day, we thought our children could go all out and show the other schools just how green we can be!! Feel free to wear as many green items as you can find - t-shirts, trousers, skirts, socks, hats - whatever you can find!

Wonderful Writing

We're always very proud of the children's incredible efforts at school and are in a very privileged position to be able to see all of their marvellous achievements each day. So that we're not keeping these to ourselves, we thought we'd share a great piece of writing that has been written by Casper, one of our very talented Year 4 children. Casper's task was to write a descriptive narrative based on a short video story that the class watched. We're sure you'll agree, he has done a brilliant job of describing the atmosphere and engaging his readers. Well done Casper.

One sunny evening, when the sun was bright, there was a girl and her name was Mara. Mara stood next to the big, old oak tree that was swaying in the strong breeze, on top of a deep, raspy valley facing the sea. Mara had an old fashioned aeroplane hat sitting on her beautiful, brown, flowing hair with some old, rusty specs sitting on her pointy nose.

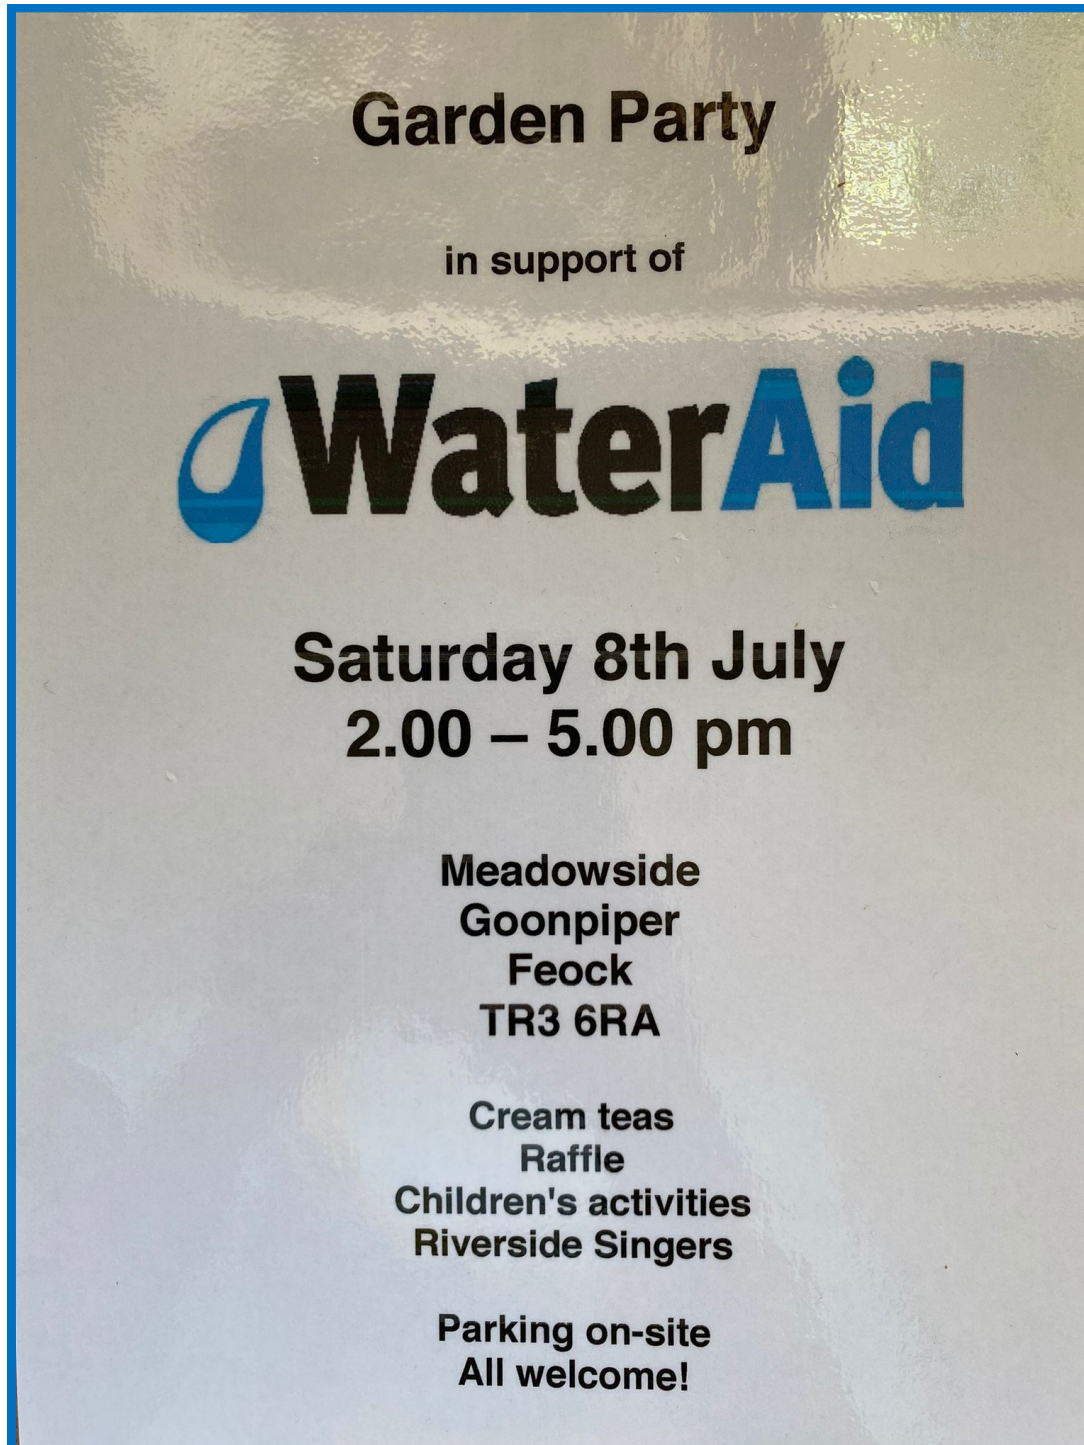

Suddenly, Mara launched her hard working plane into the deep blue sky. Within ten seconds, the plane was coming down with menacing speed; before she knew it a tear was falling down her cheek. A few moments later she walked down the hill to see her plane in ash and flames, so she sat down on a bench under the old oak tree. With the wind around her, she managed to catch one and keep it on the table. Then out of the blue, a little plane came crashing down like it was landing on a runway, but instead it crashed into the tree. Mara feel of the bench with so much shock!

Water Aid Appeal

Mrs Williamson's father is hosting a garden party in support of Water Aid - see poster for details. If any families are able to donate prizes for the tombola, these would be very gratefully received. The donations will need to be brought into school before Friday 7th July at the latest. This is a very worthy cause and a lovely way to raise awareness and funds. Why not take the family along for a fun filled afternoon! Thank you for your support.
