

Summer Fayre - Apologies

We're all very sorry that this year, the 'Great British Summer' let us down and caused our Summer Fayre to be cancelled. You can't really have a fayre in the rain and driving wind. Nonetheless, we would very much like to thank FOPS for all of their hard work in preparation for the event and for all of our parents and families for their wonderful support. FOPS are hoping to plan an exciting Christmas Fayre for the new school year (it'll be inside!!) which will more than make up for it. Thank you for your understanding.

Nippers on Cbeebies

We were very excited to hear that some members of Perranporth School have taken on celebrity status by appearing on Cbeebies recently! As part of their role at the Surf Lifesaving Club, a number of children appeared in an episode of Fred and Pete's Treasure Trails. It's wonderful to see the children sharing their skills. Camel Creek Visit

We've probably all heard the old saying - 'All work and no play, makes Jack a dull boy!'. Well this week, we acknowledged that the children in Key Stage 1 have been working extremely hard in their GREEN Curriculum learning throughout the year and the children deserved a playful reward. That reward came in the shape of a fantastic day at Camel Creek Theme Park. It was wonderful to see the children enjoying the rides, the slides and of course their friendships! Everyone had a marvelous time with lots of sleepy children on the coach trip home. We'd like to say a huge thank you to all of the parents that came along to support. Thank you!

FOPS Friday Cake Sales

A big thank you to parents and families from Year Reception Class for their support for this week's Friday sale!! Next week it will be Year 1's turn to support. Thank you.

Aspirations Day - Help Needed!

Do you have an interesting role that might inform and inspire the children at Perranporth?

In the new academic year we are planning to hold an 'Aspirations Day'. We'd like to help the children at school to develop their aspirations for their futures by learning about some different professions, roles, skills, interesting talents, hobbies or pastimes. We would like to do this by inviting any willing members of our parent and family community to come up to school and speak to groups of children and share information about their roles. We're hoping for a wide range of support with no particular agenda, just variety, interest and aspiration!

We've set a date for Monday 16th October (so there's plenty of time to make any arrangements needed). If you would be willing to support us on this day, please let your child's teacher know so that we can get planning. Many thanks.
