

## Anti Bullying & World Kindness Day

We'd like to share a big thank you to everyone for supporting our Anti Bullying and World Kindness Day on Monday! Thank you! It was great to see the children wearing their odd socks in recognition of this very important day.

At Perranporth School we recognise that kindness is one of the most important qualities a person can have. If everyone is being kind to one another, then our school is a happy and harmonious place and bullying is something we don't need to worry about. We shared anti bullying messages on Monday and talked about how bullying can make people feel and what children should do if they see or experience it. A very important message that we shared was about being an 'upstander', not a 'bystander' when things aren't right or people are being unkind.

We're extremely lucky at Perranporth to have such kind and considerate children who genuinely do look after and care for each other. Everyday at our school we see extremely heart warming acts of kindness on our playground, in our classrooms and in special moments that children share. We're very proud to say that our children are upstanders who recognise behaviours that aren't okay, and in these situations, they know to reach out and do the right thing! Well done Perranporth!

## End of School Collections

In the interests of keeping all children safe, please can we ask parents to always telephone the School Office to let them know if the pick up arrangements for your child has changed or if you wish a different adult to collect them. We are unable to hand a child over to another parent or unknown family member if we have not been notified first.

Additionally, it is also very important to let the Office know if your child is not attending their after school club. All clubs start with an attendance register, so any missing pupils have to be followed up with a phone call home which can obviously be avoided by letting us know first. Many thanks for your support.

## Perranporth's G.R.E.E.N Curriculum

### Growing - Relevant - Environment - Engaging - Nurture

Below you will see a short write up from two of our Librarians Seren and Eva about their trip down to Lavender Court this week:

On Thursday, our school librarians (Seren, Eva, Harry, Izzy A, Charles and Kaya) visited Lavender Court to read to the residents along with Jemima, Albie, Elsie (Y1) and Merryn and Bea (Y2). The residents of Lavender Court were thrilled to listen to the children read and couldn't believe what brilliant readers they are!

By Seren and Eva

It's wonderful for the children to get out and about in our local **Environment** to share their reading skills. As all of our children and families know, reading is extremely important to us at Perranporth School and we absolutely love doing it! It's easy to forget how privileged we are to have children sharing special reading moments with us on a regular basis, so it's lovely to be able to offer these to people in our community too. We'd like to share a huge well done to all of the children who went to Lavender Court and a big thank you to Seren and Eva for sharing their write up of the trip. Thank you!

## Date for your Diary - Perranporth Secondary School Meeting

We have been notified that on Wednesday 6th December 2023, 3:30pm to 7pm, there will be a Public Information Event regarding the plans for Perranporth Secondary School. This will take place at our school in the Hall. At this stage we don't have any further information, so watch this space for updates nearer to the time.

## CHRISTMAS TREE FESTIVAL

This year's Christmas Tree Festival will run from 8th to 24th December, 12.00 to 5.00pm and 26th to 31st December, 12.00- to 5.00pm at Perranzabuloe Parish Church, St Piran's, Penhallow.

As a school we always enter a tree to this very special festival. This year Perranporth School's aim is to create a 'Sharing is Caring' Christmas tree made from tinned food. We are asking parents to donate a tin of food in order for us to build as big a tree as possible! All of the food from the tree will then be donated to the local food-bank, hopefully making a difference for families in need.

Please send in any donations (must be tins of beans, soup, veg etc) to your child's class teacher or directly to Mrs Williamson by Tuesday 5th December.

**Cornwall Family Wellbeing Fair**

Connecting families with local emotional & physical wellbeing support

**Free Entry**

**FEATURING**

Free taster sessions, family-friendly workshops, talks, music, stalls, gifts, holistic health & wellbeing products and more
