

LEAP - Learning - Engaged- Aspiring - Proud

Primary Futures Aspirations!

On Wednesday this week, children from Y3, Y4, Y5 and Y6 had a very interesting LEAP learning session about careers in the NHS. We were invited to attend the Primary Futures workshop in which children met three different healthcare professionals who all do different roles within the NHS. There was a research doctor, occupational therapist and a nursing associate. The children got to ask them questions about their roles and what their job entails. This workshop was a wonderful way to help our children to broaden their Aspirations whilst also learning all about the varied roles and responsibilities within our healthcare system.

Year 4 - Teacher Change

Parents and families will know that we shared the sad news last week that Mr McCallum will be leaving Perranporth School at the end of this term to take up an exciting role in Further Education. Whilst we will all be sorry to see Mr McCallum leave, we're very pleased to be able to let you know that we have appointed Rachel Laity to teach Y4 for the Summer Term. Mrs Laity is an excellent teacher who has worked at Perranporth for several years. Having taught many of the children when they were in Year 1, she will be a familiar face and already has a good knowledge of the children too. Mrs Laity will begin working with Mr McCallum and Mrs Harding at different points this term so that we have a smooth transition before she starts.

Named Uniform and Coats

Children often misplace items of their school uniform and other belongings around the school site. Although we try our very best to ensure that these items are returned to their owners, it proves very difficult if they are not named. Please can we ask parents to ensure that children have their name written on:

- All items of their school uniform
- Coats, hats, gloves etc
- Drink bottles and packed lunch or snack boxes
- Bags/book bags

Many thanks.
