

Cross Country Omission - Sorry!

We must start this week's newsletter with an apology to Francesca in Year 6. In last week's newsletter we noted many amazing performances in the recent cross country race and a special second place that was achieved too. Unfortunately we neglected to mention that Francesca also achieved an incredible second place in the Year 6 Girls event. We're really sorry for missing you out Francesca, you gave a great performance and we're all very proud of you - well done!! Thank goodness Perranporth School is a safe place to make mistakes! Phew!

LEAP - Learning - Engaged - Aspiring - Proud

Aspiring Visitor!

Parents may remember that this year, in support of our LEAP initiative, we renamed our classes after inspiring sports stars. Well, in our assembly this week, we got to meet Mr Skinner, the sports star selected by Year 5 'Team Skindog'. Mr Skinner gave a very inspiring talk to the children about his amazing surfing achievements and those of his son Lukas too. He also shared a brilliant video which illustrated Lukas' surfing journey, the hard work he puts in and the various ups and downs he's experienced along the way.

To say that the children were **Engaged** is a huge understatement - we were all absolutely mesmerised! It was a brilliant assembly! The children asked Mr Skinner lots of insightful questions and **Learned** a great deal. We're sure lots of the children went away with exciting **Aspirations** for their futures. We were also very **Proud** of our former pupil Lukas and his achievements and we know that Leven must've been very proud of his dad and brother too!

We'd like to share an enormous thank you to Mr Skinner for such an incredible experience. Thank you!

BorrowBox - Cornwall Library Services

We have amazing news!

The school has signed up to a FREE app called BorrowBox (Cornwall library services). This will allow all children to access thousands of books and audio books. Your child will be bringing home a letter that contains their borrower number and individual pin. You need to sign in at home and input your email address (this email address will not be needed again with this app). The children will be accessing texts in class to read along with so it is imperative that you have created an account at home (using their information that is on the letter).

It really is an incredible app!

Any problems, please catch Miss Pryor.

Information for Parents

Perranporth Community Primary School

Parent Meeting – Wednesday 21st February (INSET Day)

This week we shared invitations for parents to attend our Parent Meetings on Wednesday 21st February 2024, (School INSET Day). These will be face to face meetings individually with parents to discuss your child's progress and to answer any queries or questions you may have.

Appointments can be booked using SchoolCloud - Please visit <https://perranporth.schoolcloud.co.uk> to book your appointments.

Wraparound Care - Survey

Apologies, the link to our Wraparound Care survey that was shared on last week's newsletter didn't work properly. We did resend a working link via Class Dojo, but in case you missed it or haven't responded yet, the link is below. Many thanks

Survey Link:

Thank You FOPS

We would very much like to share a huge thank you to FOPS for supporting us in the purchase of lots of new and exciting curriculum resources. As I'm sure you can imagine, our resources have a pretty hard learning life and often need refreshing and sometimes replacing too. As you can see from the pictures, the children have made fantastic use of our new resources in their learning across the curriculum already. Thank you to FOPS and to our parent community for supporting our FOPS events which raise such vital funds for our school.

Do you have any parenting questions?

Kevin is back!

Following the success of our previous Early Help Hub session. We will be hosting Kevin Finch from the Early Help Hub team on Friday 9th February from 9am - 11am.

Referrals to the Early Help Hub are in high demand across the County please use this opportunity to find out more information or be signposted to further support. NO APPOINTMENT NECESSARY just come in via the school office.
