

Red Nose Day

We'd like to share an enormous thank you to everyone for their incredible support for our Red Nose Day fund raiser last Friday. The children looked brilliant in their wacky clothes and even wackier hair! We also had a fantastic 'skip-a-thon' in which the whole school joined in and did lots of amazing skipping.

Your amazing kindness and generosity helped our school raise a monumental **£1330** for Comic Relief! What an achievement. Well done everyone and thank you!

£1330 raised!

Perranporth Community Primary School - The G.R.E.E.N. Curriculum

Growing - Relevant - Environment - Engaging - Nurture

Once again our **GREEN Curriculum** has provided lots of very **Engaging** learning experiences this week! Children in Year 6 welcomed the education specialist from Geevor Tin Mine into school, to share even more learning about Cornish mining. Year 5 have been learning all about Farming this half term, which culminated in a visit to Cornhill Farm this week. The children have also hatched real chicks in the classroom! This has quite literally supported the children with their understanding of **Growing** and **Nurture** too!

Children in Year 4 have had a very busy week too! Not only did they provide their parents with an incredible performance showcasing their ukulele playing, but they also invited actors from the Minack Theatre into their classroom to help them create scenes from *A Midsummer Night's Dream*. The children also went off to Droskyn Point, using our local **Environment**, as inspiration for their art work on Kurt Jackson.

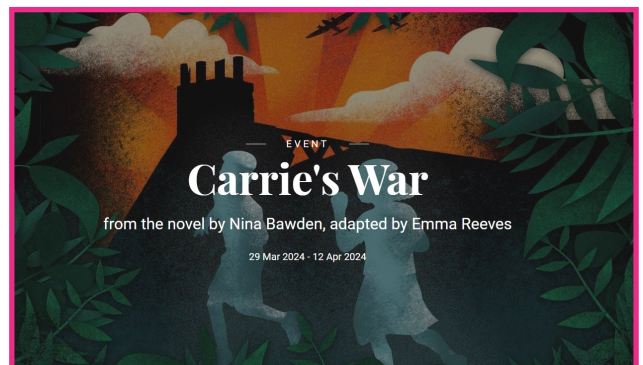

Minack Theatre

As a show of thanks for the fantastic workshop the staff from the Minack Theatre provided for Year 4 this week, we would like to share with you their upcoming performance of the children's classic 'Carrie's War':

Nina Bawden's award-winning children's novel was inspired by her own wartime experience of evacuation. Emma Reeves stunning adaptation captures all the childhood joys and struggles of growing up in this much-loved book.

Performances run from 29th March to 12 April.

Perranporth Community Primary School

LEAP - Learning - Engaged - Aspiring - Proud

This week we have seen several children in KS2 **Aspiring** to improve their sporting performances by representing our school. On Tuesday our KS2 football team played local rivals Goonhavern in a brilliant match. Both teams played incredibly well and gave one another a very competitive game with chances going at either end. The 2-6 final scored belied the performance from Perranporth, which was much closer. The team showed great resilience and determination throughout the match, and certainly

made us all very **Proud** indeed! Well done!

The Year 3 and 4 footballers also attend a festival this week and played four different matches. One of those games was against Goonhavern too but this time with a score line very much going in Perranporth's favour, winning 4-0! Amazing! Well done team!

On Monday this week we were also extremely **Proud** of the cross country semi finalists who headed off to St Austell for their races at Poltair School. The children ran the gruelling course against the best runners from across the area and showed huge resolve to keep pushing on. All of the children gave excellent performances with several achieving top finishing places and going through to next weeks finals. Brilliant!

Cycling To School

We love that more and more children and parents are cycling to school, but please can we politely ask any cycling children or parents to be mindful of pedestrians, dismounting and walking their bicycles along the pathways on the school site. Many thanks

Lavender Court - Easter Fun

On Thursday afternoon, Perranporth School shared some Easter joy with the residents at Lavender Court. The children kindly spent an afternoon with ladies and gentlemen there, engaging them in some Easter craft activities. This was such a special time that saw old and young sharing some beautiful moments, helping one another to create lovely keepsakes and decorations. The children attending were simply incredible! They showed such patience and kindness whilst also bring many smiles to the faces of those at Lavender Court. Well done children, you've made so many people so happy!

EASTER Activities

DT
