

Red Nose Day

We'd like to share an enormous thank you to everyone for their incredible support for our Red Nose Day fund raiser last Friday. The children looked brilliant in their wacky clothes and even wackier hair! We also had a fantastic 'skip-a-thon' in which the whole school joined in and had lots of fun skipping.

Your amazing kindness and generosity helped our school raise an incredible **£628** for Comic Relief! What an achievement. Well done everyone and thank you!

Cross Country News

Once again we were incredibly **Proud** of our Year 5 and 6 cross country runners this week as twelve children made it through to the Cornwall School Games Cross Country finals! Reaching the finals is a monumental achievement in itself as these are the very best cross country runners from across the county! That's from almost 250 schools!

On the day, the races were much longer, the terrain much harder and the pace was insane! But you'll be pleased to know that the children representing Perranporth were more than up to the challenge. They did both themselves and our school very **Proud** indeed! All of the children ran so well and gave it everything! Several achieved top ten places and every single child showed amazing stamina and determination to not only complete the course but to compete against the best! We'd like to share a huge well done to them all!

Year 3 & 4 Football

On Wednesday this week several children from Year 3 and 4 went off to Newquay for a Football Festival. The children showed great footballing skills, amazing team work and some wonderful sporting behaviour too! What's more, they finished the tournament in second place over all! Very well done to the team!

FOPS Mother's Day - Thank You!

We would like to share a huge thank you to all of the FOPS volunteers for kindly giving up their time to help make sure that the Perranporth's mums/aunties/grandma's have an extra special treat this Sunday! The Mother's Day Pop Up shop was another big hit and we know the children love choosing a gift and showing their appreciation for the special people in their lives.

Safer Parking Please

Please can we ask that parents dropping children off in the mornings or collecting in the afternoons show care and consideration when parking around the school site. All too often we see children dashing from cars across the road to school and sometimes narrowly avoiding a terrible accident. It is not safe for parents to park on the double yellow lines around the school or for children to nip out of cars and onto the roads. Please, please make sensible decisions when driving and dropping off at school, we really don't want any accidents or injuries. Many thanks.
