

Wear-it Green Day - Fri 16th May

In recognition of children's mental health, on Friday 16th May we will be asking children to come to school wearing green. We know that our uniform is green, so this colour is something we're used to seeing at our school, but for this day children may wish to wear different green clothing or accessories. We will also be hosting some fun activities to mark the day and supporting children with different ways of keeping a healthy body and healthy mind. A Dojo post was shared earlier this week sharing the exciting colour run we have planned for too!! We're all really looking forward to a fantastic day!

Annual Parent Questionnaire 2025

At Perranporth we always strive to improve our school and to make things the best we can for the children and parents within our school community. As part of this improvement process, we regularly seek to gain your opinions on the way we do things. Although the questions have limited responses, we find further information extremely helpful. There is an additional comments section at the end for this reason. In order to be able to make improvements, we need to know more information about any of the statements within the questionnaire that you may disagree with. It is very difficult to improve something when you are not entirely sure what the key issues are. We always welcome constructive criticism and suggestions. That being said, we also like to receive positive feedback too! Sometimes we find that questionnaires are not completed because you are 'happy with everything'. If this is the case, please let us know, it is always nice to receive that sort of feedback too.

As a direct result of your feedback, changes can and do take place. We would very much appreciate it if you could take a few moments to sit down and complete this questionnaire. If you have more than one child at the school, you can complete the questionnaire separately for each child or do one for the whole family. The closing date for responses is Friday 23rd May 25, just follow the link below:

Questionnaire link: <https://forms.office.com/e/T2K6BXNPcW>

Names on Jumpers

With the arrival of the beautiful sunny weather, we are finding lots of jumpers across the school site that children have removed because they have become too warm. Unfortunately, we often have trouble returning these jumpers to their owners because they don't have a name inside.

Please can we ask that parents ensure that their child's name is clearly written or labelled inside their child's uniform so that we can hopefully return it if it's ever mislaid. Many thanks.

Tuesday DT Evening
Mini Pizza's
Wednesday Active
Outdoor Play and Cosmic Yoga
Thursday Games Evening
Boardgames and Lego
Friday Funday
iPads and Play Dough
MON-FRI: Other activities will be available for those who may not want to join in with the main activity.

Sun Protection

It's been a very sunny week at school and we have all enjoyed the beautiful weather tremendously. However, as wonderful as it is, it is also important that children are protected from the sun. We strongly recommend that when forecasts are predicting warmer weather, that children come to school already wearing appropriate sun-screen and a named hat. There are many long lasting sun protection creams available which should hopefully give children cover during their day at school. We would also encourage children to come to school with a full water bottle and ask them to refill it at school when necessary to stay hydrated.

Many thanks and fingers crossed for more sunshine!!
