

Annual Parent Questionnaire 2025

At Perranporth we always strive to improve our school and to make things the best we can for the children and parents within our school community. As part of this improvement process, we regularly seek to gain your opinions on the way we do things. Although the questions have limited responses, we find further information extremely helpful. There is an additional comments section at the end for this reason. In order to be able to make improvements, we need to know more information about any of the statements within the questionnaire that you may disagree with. It is very difficult to improve something when you are not entirely sure what

the key issues are. We always welcome constructive criticism and suggestions. That being said, we also like to receive positive feedback too! Sometimes we find that questionnaires are not completed because you are 'happy with everything'. If this is the case, please let us know, it is always nice to receive that sort of feedback too.

As a direct result of your feedback, changes can and do take place. We would very much appreciate it if you could take a few moments to sit down and complete this questionnaire. If you have more than one child at the school, you can complete the questionnaire separately for each child or do one for the whole family. The closing date for responses is Friday 23rd May 25, just follow the link below:

Happy 100th Birthday!

Last Friday afternoon we were very **Proud** of our children in Year 1 and Year 6 who wandered down to Perran Bay Care Home to wish a 100 year old resident a very happy birthday. Winnie turned 100 last week which is an incredible achievement and something we wanted to help her celebrate. Every class made Winnie a special card and then Mrs Green led the children in an extended version of the Happy Birthday song. We know our visit was hugely appreciated by Winnie and the other residents too! It was a lovely way to end the week!

Tennis Stars

On Thursday this week several **Aspiring** tennis stars from KS2 headed to Heron Tennis Club for the Newquay Schools Tennis Festival. The event was attended by lots of other local school with children playing doubles matches from Y3 and 4 and Year 5 and 6. Without wanting to blow our own trumpet, the Perranporth Team were quite spectacular at this event! Both of our teams dominated their matches and finished the day in first place and winners overall! The children were amazing and showed such incredible tennis skills and sportsmanship throughout. We'd like to share a huge well done to the children who took part! You were 'ace'!!!

Wear-it Green Day - Fri 16th May

In recognition of children's mental health, next week on Friday 16th May we will be asking children to come to school wearing green. We know that our uniform is green, so this colour is something we're used to seeing at our school, but for this day children may wish to wear different green clothing or accessories. We will also be hosting some fun activities to mark the day and supporting children with different ways of keeping a healthy body and healthy mind. A Dojo post was shared earlier this week sharing the exciting colour run we have planned run too!! We're all really looking forward to a fantastic day!

VE-Day Celebrations

We would like to share a big thank you and well done to our Year 5 children who led us through a brilliant recognition of VE Day this week. The children gave a very informative assembly to the whole school, sharing their learning about World War 2 and the significance of VE Day itself. This was a fantastic way for us all to celebrate and remember this very important day at Perranporth School. Well done Year 5!

JO'S LANDS END TO JOHN OGROATS 2025!

Created By Jo Nessielass

FOLLOW

In May 2025 I am taking on a solo, self supported hike from Lands End to John O Groats! 🏞️😄 I am raising money for the two charities below 50/50, both close to my heart for different reasons. I will be documenting why I am doing this, my planning, preparation, training and whole walk on my insta and you tube @nessielass so you can follow everything I am getting up to in the run up to the hike. It's going to take me the minimum of 75 days, I've never solo camped yet and it's a very long way so all the support will be earned and I am hugely grateful for even coming to my page 🙏❤️
