

Teachers for September

Our Parent/Pupil Target Setting Meetings are scheduled for 30th June and 2nd July. These meetings are an opportunity for parents and children to get the chance to sit down with their child's teacher for next year and discuss transition. This could be the types of things children might wish to achieve and to chat through anything parents would like the teachers to know about their child for the following year. The details of our teaching and support staff plans are below:

Breakfast Club Reminder

Just a reminder that if parents would like to use our morning Breakfast Club, it is always helpful if places are booked ahead of time using the Arbor Parent Portal or by calling the School Office (01872 572021). If it is a last minute arrangement that's needed, we're still happy to accept children on the day, but it is very helpful if we can know beforehand so we can plan the provision. Also, please can we request that parents accompany children to the School Office when dropping off at Breakfast Club.

Reception Class - Beach Trip

Children in Reception had a very exciting time this week exploring our local **Environment** when they visited Perranporth Beach! As part of their learning on 'Who Lives in a Rockpool?', children were busy spotting landmarks then used their knowledge to create their own maps. They also had to use their senses learning about what they could see, hear, smell, touch and taste. And, as you can see from the picture, the children also had lots of fun creating some amazing beach art too!

Lego for The Lighthouse

Do you have any Lego you no longer need?
Our after school care provision, Lighthouse, would hugely appreciate any unwanted Lego for children to use at the club. If you have any Lego you are happy to donate, this will be very gratefully received. Any donations can be dropped into the School Office. Thank you for your support.

School Attendance Reminder

As parents will know from previous newsletters, good school attendance is extremely important and something we try very hard to work with parents to maintain. We would like to remind parents that we are not able to authorise children's absence for the purpose of holiday during term time. It is important that parents understand that if they remove their child from school and incur unauthorised absences, they may be subject to a penalty notice as explained on our Leave of Absence Request Form. In line with government regulations, Cornwall Council has issued penalty notices to members of our school community already this academic year.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £80 if paid within 21 days or £160 if paid after this but within 28 days.

If your child is further absent from school without authorisation within any 3-year period, you will be committing a further offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices for a second offence are issued per liable parent, per child and each carry a fine of £160, payable within 28 days.

Importantly, fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered.

Failure to pay the Penalty Notice may also result in legal action. If you are prosecuted and attend court because your child has not been attending school, you could get a fine of up to £2,500. Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Absence not authorised by the school may also result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Again, Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Money raised from fines is only used by the local authority to cover the costs of administering the system, and to fund attendance support. Any extra money is returned to the government.

'Parent' as set out in Section 576 of the Education Act 1996, defines parent to include: natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and; any person who, although not a natural parent, has care of a child. Having care of a child means a person with whom a child lives and who looks after a child, irrespective of what their relationship is with said child.

Please ensure the School is notified of all planned absences by completing the appropriate Leave of Absence form available from the School Office.

We would also like to request that parents and families make every effort to arrive at school on time, between 8:30am and 8:45am. It's always best for children to have a calm and settled start to their day and this really helps set their learning day up properly too. Lateness causes lots of disruptions in classrooms, to the School Office staff and is also lost learning time too.
