

## L.E.A.P.

### Learning – Engaged – Aspiring – Proud

On Monday evening this week we were all incredibly **Proud** of our wonderful Year 5 singers! TPAT, our academy trust, organised a Musical Extravaganza at the Hall for Cornwall. This event saw lots of schools from across the trust showcasing their musical talents and sharing a musical piece on behalf of their school. For Perranporth our Year 5 children, lead by Mrs Green, Miss MacQuarrie and Silvia Lowe on guitar, gave an incredible World War 2 themed performance of It's a 'Long Way to Tipperary'. The children were absolutely brilliant and represented Perranporth wonderfully! The rest of the evening was also a real delight and such a fantastic experience for everyone who attended. We'd like to give a huge well done to Y5 and a big thank you to everyone who came out to show their support.

### Well Done Year 6!

We would like to share a huge well done to our amazing Year 6 class! This week we heard news of the children's achievements in their SATs tests that they all took back in May. We are extremely impressed and very proud of the fantastic outcomes they have achieved! They're brilliant! Well done Year 6!

### Parent Celebration Assemblies

Next week, we're excited to begin our Parent Celebration Afternoons! These special events give children the chance to share an assembly they've prepared, showcasing the amazing things they've learned this year with their parents and families. After the assembly, children will also have the opportunity to show their parents around their classroom or find a quiet spot in the school grounds to share more of their wonderful learning. We're often asked if school-aged siblings can join these afternoons too. As much as we'd love to welcome everyone, having siblings attend does create disruption to after-noon lessons, so unfortunately we're not able to accommodate this. Thank you for your understanding.

Please check the 'Upcoming Dates' section for your child's Celebration Afternoon. We look forward to seeing you there!

### KS2 Sports Day

A huge part of our **GREEN** Curriculum is the enjoyment, development and celebration of sport and PE. We saw this happening throughout Tuesday this week when we hosted our KS2 Sports Day!

The weather was perfect, the coloured t-shirts representing the different sports houses looked brilliant and the children were in fine sporting form. The events were fast and furious and as always highly competitive. We were so impressed by the effort, sporting behaviour and inclusivity shown by our children throughout the afternoon. The scoring was both high and very close between the different teams too. The green team, 'Perrancoombe' were victorious in the end, but every team gave brilliant performances. We'd like to share a huge thank you to all of the staff who put on the event and to the families who came out to show their support. We'd also like to say a very yummy thank you to FOPS for providing our refreshing ice lollies at half time! Thank you!

Reception Class also enjoyed an amazing morning of sports this week too! The children showed their amazing skills, their speed, agility and wonderful sporting behaviour too! They gave fine performances for their families and friends and made us all very proud indeed! Well done Reception Class you were fab!

## Perranporth Triathlon: CALLING ALL MARSHALS!

As some of you may know the iconic Perranporth Triathlon returns this year, on the morning of Sunday September 7th 2025, after a five-year absence!

Recognised as one of the UK's oldest and toughest Triathlon's dating back to 1987, competitors will battle it out with a surf swim, a hilly bike leg, and a run along the beach, cliffs and dunes, finishing on the village green.

A big fund raising event for Perranporth Surf Life Saving Club, the triathlon brings the amazing community of Perranporth out in their numbers to give their support, through sponsorship, marshalling, water safety cover, competing or simply cheering competitors on.

If you are one of the wonderful people that has volunteered to marshal or provide water cover in the past and you would like to again, or if you fancy getting involved for the first time, [click](#) here or email:

If you are feeling brave and would like to enter, [click](#) here and get training!

## RSHE Week

Next week all of our classes will be learning about Relationships, Sex, Health Education. The staff follow a very clear and comprehensive programme which is sensitive to the subject and age appropriate for the children. For more details, please check the post on Class Dojo and see the attached letter. Teachers will share a daily update on what has been covered each day so that parents can be aware of what has been taught and be prepared for any questions children may come home with. Many thanks.
