

Perranporth Community Primary School - The G.R.E.E.N. Curriculum

Growing – Relevant – Environment – Engaging – Nurture

Year 3 Ancient Historians

This week our Year 3 children showed themselves to be brilliant historians as they made a trip to Truro Museum. The children have been **Engaging** with their History learning around The Stone Age and managed to discover a huge amount of **Relevant** information for their topic whilst they were there.

During the morning the children had two workshops learning all about the Stone Age, Bronze Age, and Iron Age. They learnt about different types of pots and even created their own. Children handled various artefacts, some which were over 5000 years old! It was an incredible learning experience that will no doubt provide them with lots of helpful support in their history learning ahead! A big thank you to Truro Museum for such a great day!

New Admin Assistant

From Monday, we are very excited to welcome a new member to the Admin Team, called Mrs Peters. Please join us in making her feel at home as she gets to know our school, our families and our children. Mrs Peters is looking forward to meeting you all and supporting the smooth running of our busy office alongside Mrs Barrett. We know you will give Mrs Peters a warm welcome and help her settle in and feel part of our Perranporth School family.

Parking Tickets

This week we were notified by one of our parents that they received a parking ticket whilst parked in the section by the layby outside the school field (see the crossed area on the image). The parent did not intentionally commit a parking offence, but requested that we share the information in a bid to prevent other families from receiving parking tickets around the school site. Please refer to the permitted parking times on the sign near the layby.

Families are reminded that school can provide free parking passes for Wheal Leisure Carpark for drop-off and pick-up times. Please just ask at the Office.

Learning – Engaged – Aspiring – Proud

Super Surfer!

We are very **Proud** to share the marvelous achievements of Arthur from Year 6, who took part in the Junior Surf Series at Great Western Beach in Newquay on Sunday. After an early start, and some very wet and windy conditions, Arthur showed incredible determination and skill, narrowly missing out on a place in the final and finishing an impressive fifth overall! Wow! Arthur's enthusiasm, resilience and positive attitude are a great inspiration to us all. He had a brilliant day, learned a lot from the experience, and is already looking forward to the next event. Well done, Arthur we will look forward to hearing more about your future surfing successes!

Royal Cornwall Hospital - Non Uniform Day Fri 26th Sept

September is Children's cancer awareness month. The Royal Cornwall Hospital Trust is asking all nurseries/schools/colleges to unite in holding a Non-School Uniform day. Every year, sadly there are children in Cornwall diagnosed with cancer. Many will spend days, even weeks, in hospital, away from school, friends, and the comfort of their home.

At the heart of their care is the Children's Cancer Unit at the Royal Cornwall Hospital — a place of compassion, expertise, and hope. But while the clinical team provides outstanding treatment, there is always room for improving facilities and supporting the children and their families. And you can help.

On Friday 26th September we will be joining lots of schools across Cornwall in asking children to come to school in non-school uniform for a donation to a very worthy cause. You can make a donation following this link:

First Family Friday

Last week we all enjoyed the return of our Family Fridays! This was a new addition to our timetable that we brought in last year to develop more opportunities for children to support and encourage one another. Nurture has always been a very important part of our **Perranporth GREEN Curriculum**. So by mixing children from Y1 to Y6 for some different fun and co-operative learning activities, we hope to build nurturing and encouragement opportunities throughout the afternoon. During these sessions, children participate in a range of activities and support each other in their family groups whilst making new friends too.

Going forwards, children will remain in their family groups, but will visit a different teacher for a different experience every Friday afternoon!
